

Hello and Welcome to the Autumn term

Welcome to Year 5. We are delighted to welcome you all back to school after a challenging year and are looking forward to getting to know you all throughout the next academic year. We have an exciting term ahead with a stimulating and creative curriculum planned.

Update on the Curriculum

'Here We Are'

We started our term with our whole school text – Here We Are by Oliver Jeffers. We have read the book and have been thinking all about our world and who is in it. This has helped us to think about friendships and working together as a class.

Topics this term.

Children should continue to **read** at home every night and sign their reading records to confirm that they have done so. Please ask your child questions about what they are reading and encourage them to talk about their books to make sure they are improving their understanding and comprehension skills.

In **English**, we have been reading the story of King Kong and discussing the importance of the different characters. Get your child to tell you about it as it is such an amazing story.

In **Maths**, the children will recap the objectives from the previous year to ensure any missed learning is secure. Children will hone their skills in Place Value; the four operations as well as measurement and geometry.

In **Science**, we will also recap the last year's topic of 'Forces' which would have been taught in the summer term.

In **History**, we are learning all about what it was like to live during the time of the Anglo-Saxons: including what religions they followed and whether it would have been similar to today.

Our Core Values

At Paxton, our eight Core Values weave a thread across all aspects of school life and provide us with a common language which binds us together and creates articulate, confident leaders of tomorrow.

Resilience – we are determined to succeed. We never give up.

Excellence – we strive to reach our potential and are committed to excellence.

Success – we value achievement and celebrate success

Pride – we take pride in everything we do.

Equality – we are all valued members of our community. Everyone is treated fairly.

Care – we look after our community, showing we care through our words and actions

Teamwork – we work as a team because together we achieve more.

Work, Rest and Play
