

Managing School Re-opening across the Trust

Risk Procedures and Risk Assessment

This Risk Assessment sets out the measures that must be taken to minimise the risk of any one in school contracting the virus once schools begin to re-open.

All schools in the Trust must follow these precautionary measures, however, each school will implement their own school-specific routines once open to reflect their specific circumstances and age range.

In drawing up this Risk Assessment a number of guiding principles have been followed:

1. Safety first – any decisions taken in relation to re-opening school will always prioritise the health and safety of staff and students
2. Quality– the delivery of quality teaching, aimed at closing gaps and supporting home learning will underpin our curriculum
3. Entitlement – all children should have contact with a qualified teacher and (in secondary schools) subject specialist for each subject they study before the summer
4. Workload and well-being – staff will now be undertaking a combination of home and face to face work, any decisions taken will be mindful of the fact that they have been working throughout the lockdown
5. Sustainability – any plans must be sustainable as we don't know how long this current phase will last for
6. Time for reflection – staff and students will need an opportunity to reflect on their experiences over the past 8 weeks
7. We know our children and staff best – schools within the WLT will make decisions based on the best interests of their staff and students

September 2020

The following Risk Assessment was originally produced for the wider re-opening of schools in June 2020. This version has been reviewed and update in the light of DfE's guidance published on 28th August 2020: Guidance for full opening

It will be kept under review and updated as necessary during up to and after schools open in September to ensure it remains inline with further guidance and updates.

ACTIONS FOLLOWING SEPTEMBER OPENING - Based on DfE Guidance 28th August 2020

Systems of control 1 to 5 must be in place in all schools, all the time.

Wandle Learning Trust

System of control 6 must be properly considered and schools must put in place measures that suit their particular circumstances.

System of control 7 applies in specific circumstances.

Stems of control 8-10 must be followed in every case where they are relevant.

<p>System of Control 1:</p> <p>Minimising contact with individuals who are unwell, have symptoms or live within someone who is unwell or has symptoms.</p>	<p>Failure to remain vigilant and act swiftly in instances of suspected or confirmed cases increases risk of infections occurring in school and the wider community.</p>	<p>Pupil or staff member with new, continuous cough or a high temperature, or has a loss of or change in their normal sense of taste or smell:</p> <ul style="list-style-type: none"> ○ sent home and advised to follow the stay home guidance: <ul style="list-style-type: none"> ○ self-isolate for at least 10 days ○ arrange to have a test immediately ○ other members of household to self-isolate for 14 days from when the symptomatic person first had symptoms ○ Pupils awaiting pick-up they should be isolated in separate, closed room with ventilation (depending on age of child etc). If not possible they should remain in a space that is at least 2 meters away from anyone else. If they need the bathroom to use a separate one that must be cleaned before further use. ○ Any member of staff staying with pupil while awaiting pick-up must wear PPE if social distancing cannot be maintained ○ Everyone to wash hands for 20 seconds after any contact with someone who is unwell 	<p>All staff</p>	<p>As necessary</p>
--	--	--	------------------	---------------------

<p>System of Control 2: Where recommended use of face coverings in school</p>	<p>Not following required use of face coverings will increase the spread of infection</p>	<ul style="list-style-type: none"> • In primary schools where social distancing is not possible in areas outside of classrooms between members of staff or visitors, for example in staffrooms, headteachers will have the discretion to decide whether to ask staff or visitors to wear, or agree to them wearing face coverings in these circumstances. • In areas where local lockdowns or restrictions are in place, face coverings should be worn by adults and pupils (in years 7 and above) in areas outside classrooms when moving around communal areas where social distancing is difficult to maintain such as corridors. • Additional face marks will be in reception if staff do not have a face mask. 	<p>TM</p> <p>TM</p> <p>Office staff/GM</p>	<p>Ongoing</p> <p>If in a local lockdown</p> <p>If in a local lockdown</p>
<p>System of Control 3: Clean Hands thoroughly more often than usual</p>	<p>Not following required hand washing routines contribute to spread of infection</p>	<p>Ensure soap and hot water in every toilet</p> <p>Hand sanitiser stations set up at the school entrances for pupils and any other individuals entering the school to use.</p> <p>Hand sanitiser station in every classroom, canteens, reception, changing rooms, sports facilities and any other areas with high flows of students/staff</p>	<p>Steve</p> <p>Steve</p> <p>Steve</p>	<p>Ongoing</p> <p>1st September</p> <p>1st September</p>

		<p>Ensure hand-washing requirements/opportunities are built into behaviour expectations and daily routines. Students should clean their hands at the following times:</p> <ul style="list-style-type: none"> ● After coming into school ● After sneezing or coughing ● Before and after handling or eating food ● After going to the toilet 	All adults supervising pupils	1 st September
<p>System of Control 4:</p> <p>Ensure good respiratory hygiene</p>	<p>Not following “catch it, bin it, kill it” approach will contribute to spread of infection.</p>	<p>Provide lidded bins in classrooms and in other key locations around the site for the disposal of tissues and any other waste and ensure they are double bagged when disposing of them</p> <p>Ensure a good supply of disposable tissues to implement the ‘catch it, bin it, kill it’ approach in each classroom and enough to top up regularly</p> <p>All classrooms will be provided with tissues and hand sanitizers and regularly checked. If this runs out in a lesson it is the teacher’s responsibility to ensure this is reported to the premises officer so this can be restocked.</p> <p>Gloves and cleaning spray will be available in classes if students cough to help clean up afterwards.</p>	<p>Steve</p> <p>Steve</p> <p>All staff</p> <p>Steve</p>	<p>1st September</p> <p>1st September and on going On-going</p> <p>1st September</p>
<p>System of Control 5</p> <p>Enhanced cleaning routines.</p>	<p>Not establishing and following enhanced cleaning routines will contribute to spread of infection.</p>	<p>Agree cleaning routines with cleaning companies ensuring they are in line with DfE guidance (COVID-19: cleaning of non-healthcare settings guidance).</p>	Steve/Gillian	Prior to September

		<p>Put in place additional cleaning routines to:</p> <ul style="list-style-type: none"> ○ Ensure more frequent cleaning of rooms/shared areas used by different groups ○ Frequently touched surfaces are cleaned more often than normal. ○ Different groups don't need to be allocated their own toilet blocks but toilets will need to be cleaned regularly and pupils must be encouraged to clean their hands thoroughly after using the toilet. 		then on-going
<p>System of Control 6</p> <p>Minimise contact between individuals and maintain social distancing wherever possible</p>	<p>Failure to minimise contacts and mixing of pupils/groups increase transmission of infection.</p>	<ul style="list-style-type: none"> ○ Use of consistent groupings as far as possible – students will be taught in class bubbles. ○ Maintaining distance within the classroom but if this is not possible ensuring students are sat facing the front. ○ Keeping groups apart and movement around the school to a minimum. Class group bubbles will exist and group will have an allocated area of the school that they will be taught in. Students will also have an allocated area to play in at lunch. Bubbles are: <ul style="list-style-type: none"> ○ Reception, year1 and 2 ○ Year 3 and 4 ○ Year 5 and 6 ○ Staff should try to keep their distance from pupils and other staff as much as possible, ideally 2m from others but if this is not possible they should avoid close face to face contact and minimise time spent within 1m of anyone. ○ There will be staggered start times, breaks, lunches and end of days and students will have allocated zones during lunch and break so bubbles do not mix. ○ On arriving any student/staff member wearing a disposable face covering should dispose of this in the lidded bins 	All staff	1 ST September

		<p>provided and wash their hands with soap and water or hand sanitiser after.</p> <ul style="list-style-type: none"> ○ All staff, students and visitors should use hand sanitizer to wash their hands on entry to the site and when leaving as well. ○ Minimising use of supply and peripatetic teachers ○ Ensuring records of all visitors are maintained and procedures for maintaining social distancing are understood by all and adhered to ○ Assemblies are allowed however students should remain in their bubble. ○ Use of the staff room should be minimised and social distancing will be expected. ○ Students will be given a pack of equipment for their use. This will be kept on their tables during lessons. Resources should only be shared between a bubble otherwise it needs to be cleaned between bubbles or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours if plastic). ○ Staff will ensure that classrooms doors are open and windows to ensure that there is good ventilation in classrooms. ○ Contact sports should not take place.
