

Year 6 Curriculum Web – Summer 1 2022

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Writing</p>	 <p>This half term we will be reading 'The Bear and the Piano' by David Litchfield, 'Black and British' by David Olusoga and 'Windrush Child' by Benjamin Zephaniah. We will then study 'The Listener' by Walter De La Mare.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Science</p>	<p style="text-align: center;"><u>Living things and their Habitats</u></p> <p>In science, we will be learning about how living things are classified and why, make keys for classifying and identify scientific evidence that has been used to support or refute ideas or arguments.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Computing</p>	<p style="text-align: center;"><u>3D modelling</u></p> <p>The children will develop their knowledge and understanding of using a computer to produce 3D models. By the end of the unit, pupils will be able to modify 3D objects, make their own name badge, make a desk tidy, plan 3D models and make their own model.</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Reading</p>	 <p>In our reading sessions, we will be focusing on answering questions about our impressions, summarising and justifying opinions with evidence from the text.</p>  <p>In our writing lessons we will be writing for a variety of purposes. We will be developing our consistency in the quality of our writing.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Music</p>	<p style="text-align: center;"><u>Music and Me</u></p> <p>The children will be learning to create their own music inspired by their identity and women in the music industry.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">PSHE</p>	<p style="text-align: center;"><u>Relationship and Sex Education</u></p> <p>During summer 1, we will complete our RSE topic. We will learn about emotional changes in puberty. We will also learn about the biology of conception using age appropriate resources. Finally, we will learn about pregnancy and birth. The children will learn about how babies develop in the womb and how they are born. Lessons will be supported using bespoke animated videos which are created as part of a national scheme.</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Maths</p>	<p>In maths, the children will be completing their learning on ratio and proportion. We shall also learn about solving problems with two unknowns, the order of operations and finding the mean. We will also be focusing on consolidating our learning so far this year.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Design and Technology</p>	<p style="text-align: center;"><u>Construction/Mechanics</u></p> <p>The children will explore different designers and explore electrical systems. They will learn to use a junior hacksaw and a bench hook safely to construct a chassis using butt joints. They will also explore different axel designs and learn how to use an electrical circuit to power their mechanical vehicle.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">RE</p>	<p style="text-align: center;"><u>The Journey of Life</u></p> <p>We will look at what circumstances change things in people's lives, why people are admired due to their qualities, why some special moments in people's lives are marked by religious ceremonies and how non-religious people mark special times.</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">History</p>	<p style="text-align: center;"><u>War at Home</u></p> <p>In history, the children will learn about how WW2 impacted the local area. We will look at how agriculture and industry changed as a result of WW2, how the role of women changed during WW2 and explore Windrush.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">PE</p>	<p style="text-align: center;"><u>Basketball</u></p> <p>During our basketball unit, the pupils will apply aspects of fitness to the game such as power, strength, agility and coordination. They will choose and implement a range of strategies to play defensively and offensively. They will grasp more technical aspects of the game.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Spanish</p>	<p style="text-align: center;"><u>Spanish</u></p> <p>In Spanish, children will be learning to communicate their levels of like and dislike, be able to name some instruments and identify different types of music, use an online dictionary to look up new nouns and to ask and say which instruments they play.</p>
